Exhibitors attending the Technet Conference must bring two forms of government issued identification. Non-Korean Nationals must present a valid passport and their ROK immigration (Visa) status (e.g. date of entry into the Republic of Korea (ROK), valid immigration visa or ROK Registration Card, and expiration date).

Please note that the ROK Passport Control Point has a stamp-less processing for both arrival and departures. At a ROK international port of entry such as the Incheon International Airport, visitors will be issued a Republic of Korea Immigration Service Entry Confirmation. Visitors to Camp Humphreys will be required to present this Entry Confirmation receipt with their passports.
